## 2. Cloud DVR and multiple streams

DirecTV Now has added 20 hours of cloud DVR to every package and the ability to upgrade from two to three concurrent streams for an extra \$5 per month.

Meanwhile, AT&T's cheaper streaming TV service called WatchTV doesn't include DVR at all. [Read our review here!](#)

## 3. Compatible devices

For all live TV streaming services, you must have a [reliable high-speed internet connection](#).

To watch DirecTV Now on the big screen, you'll also have to get a compatible device, such as Google Chromecast, Roku, Apple TV or Amazon Fire TV. Here's the full list:
