

Hurricane Preparedness Committee Mandates  
2023 --2024

- \* Recruit Block Captains from the Maple Leaf year round residents to obtain and/or update information on residents who will be here during the upcoming hurricane season.
- \* Maintain and update binder of residents with current contact information.  
Determine what their plans are in the event of a mandatory evacuation of our community.  
Ensure that they are aware that they are to contact the office in the event they plan to be absent from Maple Leaf for an extended period of time during the hurricane season.
- \* To inform all year-rounder residents of potential severe weather warnings for our area.  
By using social media, email, the leaf and the weekly blast.
- \* Educate the residents on how to access the weather sites for sever weather in our area.
- \* Communicate with Mitch Krach, Chris Spence and Patrick Bell concerning the plans to open the Queensway and CanAm buildings during server weather.
