

## Infrastructure Committee Mandate

2023 -- 2024

### Objective:

To Identify and evaluate the condition of the park's infrastructure.

### Process:

Review the condition of existing infrastructure, such as roads, drainage, electrical pedestals, irrigation.

Review the life expectancy and current age as reported early and follow up on timeline for repair or replacement of assets.

To insure we add the infrastructure detail into the Association Reserves plan to roll up to the total capital required per year.

Work with the Strategic Planning Committee and Treasurer to develop a funding plan to support the capital requirements.

Chairs: John Ginter, Walt Van Den Langenberg

### Committee Members:

Mitch Krach --Drew Robertson

Gudjon Ellertsson -- Jeff Sousa
