- Chelsea 13 Day Advanced Tee Time Requests: Included

FAQ'S

1. If I don't use all my funds from the initial Players Club prepaid minimum deposit, is that money refundable? *It is not. Your initial deposit is non-refundable, however any additional funds applied to your account for prepaid golf **are** refundable. Additional funds may be made in \$100.00 increments.*
2. When is the deadline for the \$75.00 golf shop credit? *All funds must be used before your membership expires, and those funds may only be used for golf shop merchandise. Seasonal membership expiration is 5/31/2024. Full Year membership expiration is 9/30/2024. The Players Club membership has a golf shop credit of \$50.00 and expires on 5/31/24.*
3. Why do I have to pay a GHIN (Handicap System) fee if I already paid for it at another club? *Great question. Because each state has a separate State Golf Association (Florida has the Florida State Golf Association) each club must pay separate fees. Your handicap fee does not go to GHIN (Golf Handicap Information Network), it goes to your state-run golf association.*
4. Do I need an established handicap to play in either the Men's, Mixed, or Ladies League? *Technically no, but you would not be competitive. You would play to a zero (Scratch) handicap, and because most of the weekly formats for league play are a team format, you would be hurting the team. Plus, it's nice to know how your game is improving, and the GHIN system will provide that data for you.*
5. Do I need to be a golf member to play in any of the leagues? *Yes. The Men's league, Mixed League and the Ladies league all require that participants must be a golf member at the time they play.*
6. How do I book tee times? *Yeah, that one's kind of important. Tee time requests can be made up to 13 days in advance through our Chelsea Tee Time System. Tee times are then booked 6 days prior to the day of play. Tee times can also be booked through the golf shop up to 6 days in advance.*
7. Will I receive a tee time notification from Chelsea? *You're darn tootin you will. You will receive a confirmation email from Chelsea to let you know your request has been made, and you will receive a second email with your booking confirmation. The booking confirmation is your actual tee time.*
