

# SAFETY AND SECURITY MANDATE

The purpose of this committee is to:

1. Take the necessary initiative in conjunction with the General Manager to ensure the best level of safety and security for all resident, renters, and guests.
2. Organize and oversee the security of resident, renters, and guests and consider exploring the feasibility of conducting neighborhood watch year round in 2025.
3. Recommend for Board approval any capital additions required to enhance safety and security.
4. Continue to monitor and move the four speed signs to different locations within the park adding more poles to accommodate this.
5. Conduct another AED/CPR familiarization class for Neighborhood Watch volunteers.
6. Assist in enforcing the rules, regulations, and restrictions of Maple Leaf as spelled out in the Maple Leaf Telephone Directory
7. Consider Health and Safety proposal and update to present proposal for Board consideration
8. Determine best time frame and time length for new season
